Dear Church Family,

Until further notice, FPC Salem's church building is closed. The Governor and the State Health Department issued a health order that all Ohioans stay home, unless you work in an essential business. Unfortunately, the church is not considered essential although we know better. This is another precaution against the spread of the coronavirus and was made effective at 11:59 p.m. on Monday, March 23<sup>rd</sup>.

None of us or our families and close contacts can guarantee we are or are not contagious, unless we've been tested. Let us not be careless or cavalier about the coronavirus. We want everyone to be safe and help those around you to stay safe.

Both Phyllis, [phyllis@fpcsaalem.org](mailto:phyllis@fpcsaalem.org) (330) 312-9017 and Pastor Paul, [pPhillips@fpcsaalem.org](mailto:pPhillips@fpcsaalem.org) (520) 444-3758 will work from home until further notice. We will continue to provide our TV ministry until further notice.

Any questions, please call Phyllis or Pastor Paul.
