NEWS AND NOTES FROM OUR EASTMINSTER

PRESBYTERY MEETING

Eastminster Presbytery gathered Tuesday, May 12 at First Presbyterian Church, Warren, and the following reflects our afternoon together:

- With worshipful work, we began with a Bible Study looking at Paul's letters, Acts and Matthew
- Received a report from the Presbytery Mission Design Team, with each Team member teaching the Presbytery regarding the importance of high expectations and homework; the demographics reflected in our Ohio neighborhood; and statistical information regarding patterns and present membership of Eastminster Presbytery
- Participated in "Conversation Café" listening to the collective information of the group and listening for the movement of the Holy Spirit
- Encouraged by the good news of the Presbytery Council reflecting the whole ministry of Eastminster and energized by the Mission Trip to the Middle East (to Scott and Elmarie Parker) in February 2016
- Elected RE Brian Smith, member of First PC, Mineral Ridge, as the Treasurer of the Presbytery and installed him as an Officer of the Presbytery
- Received the happy news that the Deacons of First, Warren are donating \$5K to assist small, financially-struggling churches in the payment of their per capita
- With sadness and gratitude, approved the dissolution of the Joseph Badger Meadows Committee
- Heard that there will be a "Sale to Presbyterian Churches" of JBM Personal Property on Saturday, June 6—ALSO HEARD that the auction/tag sale of JBM Personal Property has been postponed until July 2015. *Please watch your E-News and the website for additional details related to this news and all other Presbytery happenings.*
