Winter Mission Project

The Community Food Pantry, supported by many local churches, is now open for food distribution at its new location, 794 East Third Street. Our church has supported this outreach from its inception. During January and February, we will be collecting **non-perishable food items with good "use by" dates** to help stock the shelves. Food items are due by Wednesday, February 10.

Lynn Johnson has agreed to coordinate the planning and preparation of dinner each week for the Pres-Bees kids, staff, table leaders, and other volunteers. She could really use some help. Anyone who would like to pitch in to help prepare dinner can contact Kim Double or Sue Skiba.
