The ROC of Salem (ROC – Representatives of Christ)

The ROC of Salem is a non-denominational organization based out of a youth center in Salem, Ohio.

Our purpose is to give area teens 14-20 a safe, positive environment where they can socialize, be involved in recreational activities (pool, air hockey, games, basketball, etc.), enjoy music and movies and be exposed to positive messages on life.

Our target demographic is the unchurched teen. The ROC's vision is to impact youth by building relationships and providing a positive model for them to follow. Ultimately, we want to bring these teens to Christ.

The ROC is a ministry tool for the whole community to use. It is our goal to build partnerships with many area churches, regardless of denomination, in order to change lives. We believe that we all share a common goal: to witness for Christ. We want to bring teens to Christ and then start feeding your church's youth group with these new believers.

In order for this ministry to succeed, we need people. People who care about kids. The ROC is looking for adult volunteers who can invest just a few hours a month to help with our ministry. No amount of time, talent or contribution is too small.

Please consider how God can use you in this ministry opportunity. Contact Eric Hamilton at 330-427-0163 or eric.theroc@hotmail.com with questions or to learn how you can help.
