Requests should be sent to the Church Office stating the name of the college, university, or college attending, and course of study, if known. On Tuesday, June 28th, the Christian Education Committee will sponsor lunch for about 25-30 Habitat for Humanity site workers. We plan to bring in children to help pack sack lunches around 10:30 a.m. to be delivered to the site by 12:00 p.m. that day. If you or your child is interested in helping with this lunch, please contact Kim Double, 330-337-0512, or the Church Office, 330-337-9555. The children are too young to work on the site; this is a way even God's little hands can be a part of a very important project.
